Price: \$ 11.85

Sugar Content : S

Wine, Fortified Wine, Dessert/Fruit/Miscellaneous Wine
15.3% Alcohol/Vol.

Made in: Greece, Greece
By: Limnos Winery

Description

The low-lying island of Limnos has proven to be one of the finest places in the world to grow Muscat of Alexander, the lesser-known variety of the muscat grape family. The Limnos Winery co-op is responsible for almost all winegrowing on the island and produces a range of wines, including this fortified vin de liqueur, that have achieved considerable acclaim within Greece. Enjoy this intensely grapey/fruity wine with rich desserts or mature cheeses.
