“ This is my wish for you: comfort on difficult days,
smiles when sadness, intrudes, rainbows to follow the
clouds, laughter to kiss your lips, sunsets to warm your
heart, hugs when spirits sag, beauty for your eyes to
see, friendships to brighten your being, faith, so that
you can believe, confidence, for when you doubt,
courage, to know yourself, patience to accept the
truth, love to complete your life.”

~Ralph Waldo Emerson
